ROOM 4 NEWS

This term we have been working with our buddy class (room 13) to develop our reading and oral language skills. Our big buddies have been amazing at guiding us and helping us with learning new words. We share our favourite books and readers with our buddies once a fortnight on Wednesday afternoons.

In literacy we have been learning about procedural text. We have worked on many different types of procedures starting by drawing pictures of how we are going to make something. We then made our product and wrote the procedure of how we made our product. E.g we made straw rockets. First, we drew the steps of how to make the rocket. Then we made the rockets. Finally, we wrote the procedure of how to make the rockets.

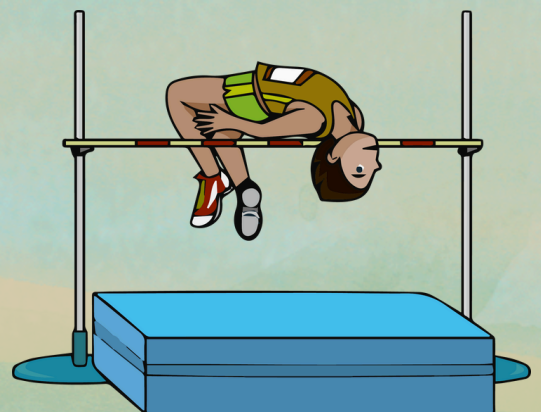

SAPSASA DISTRICT SPORTS DAY

On Friday 22/8/25 six students from Carlton attended the SAPSASA District Sports Day at the Stirling North Primary School.

Ciara, Tiaria, Tana, Storm, Lahnola and Khloe participated in a range of activities across the day such as long jump, high jump, shot put and discus.

Congratulations to Ciara who won her division for High Jump and Khloe who came third in her division for Shot Put.

BOOKWEEK

During Week 5 of this term, Carlton School proudly celebrated Book Week — a special annual event dedicated to fostering a lifelong love of reading among young people. The week was filled with excitement, imagination, and a shared appreciation for the magic of books.

A heartfelt thank you to Sam, Talitha, and Malcolm from BHP; Barngarla Elders Aunty Linda and Uncle Harry; Lyn Page; Aunty Maise; Aunty Kaye; and the members of our Governing Council for joining us at the official opening of our Library and the Book Week Parade. Your presence and support helped make the occasion truly memorable.

Our students and families did a fantastic job dressing up in a wide variety of creative and colourful costumes to celebrate Book Week. It was wonderful to see so much enthusiasm and community spirit on display.
